

SUPPLEMENT A NORD GENEALOGIE

**LISTE  
DES  
PATRONYMES**

CONTENUES DANS LES N° 114 à 119

DE

**NORD GENEALOGIE**

**1992**

## AVERTISSEMENT

La table onomastique de l'année 1992 comprend 6 bulletins "Nord Généalogie", les numéros 114 (pages 1 à 108), 115 (pages 109 à 208), 116 (pages 209 à 300), 117 (pages 301 à 400), 118 (pages 401 à 508) et 119 (pages 509 à 600).

Si le même nom est cité plusieurs fois dans une même page, il n'apparaît qu'une seule fois dans la table.

Les noms à particule ont été classés en fonction de leur écriture : les noms formulés D' sont classés alphabétiquement avant les DA....., les noms "de" sont classés alphabétiquement avant les DEB....., les "des" sont groupés avant les DES....., et les "du" avant les DUB.....

La même méthode a été retenue pour les VAN.

Il est recommandé de consulter les différents orthographes possibles en raison des transformations que les patronymes ont subies au cours des siècles.

Nous prions nos lecteurs de nous signaler les erreurs ou omissions qui auraient pu se glisser dans l'élaboration de ce travail.

Cette table a été réalisée par Monsieur Jean Fremaux que nous remercions tout spécialement pour le grand service qu'il rend ainsi à notre association et à tous les lecteurs de notre bulletin.
