**LISTE DES PATRONYMES**

**CONTENUES DANS LES N° 138 à 143**

**DE**

**NORD GENEALOGIE**

**1996**

## AVERTISSEMENT

La table onomastique de l'année 1996 comprend 6 bulletins « Nord Généalogie »

Chaque patronyme est cité avec le numéro dans lequel il figure suivi du numéro de page.

Ex : ABRAHAM 1/25 signifie que ce patronyme est cité dans le numéro 1 de 1996 page 25.

Les noms à particule ont été classés en fonction de leur écriture : les noms formulés D' sont classés alphabétiquement avant les DA..., les noms « De » sont classés alphabétiquement avant les DEB..., les « Des » sont groupés avant les DES..., et les « Du » avant les DUB.

La même méthode a été retenue pour les VAN.

Il est recommandé de consulter les différentes orthographes possibles en raison des transformations que les patronymes ont subies au cours des siècles.

Nous vous prions de nous signaler les erreurs ou omissions qui auraient pu se glisser dans l'élaboration de ce travail.

Cette table a été réalisée par Monsieur Jean Fremaux qui depuis 10 ans nous informatise cet index annuel. Nous le remercions tout spécialement pour l'immense service qu'il rend ainsi à notre association et à tous les lecteurs de notre bulletin.
